Landscape Service - Citywide

Solicitation Amendment is hereby issued as a result of questions received regarding the above mentioned solicitation.

Question 1. Well Site #4 located at 1000 N. Litchfield Road, No square footage is provided, but the site is very large vacant lot and overgrown and has excessive trash. What is the square footage and perimeters of the Well site?

Response 1. Well #4 is no longer owned by the City of Goodyear. Delete Well #4 from page 44.

Question 2. Are Goodyear Park and Ride at 13183 W. Cornerstone and Park N Ride at Dysart and Cornerstone the same location? If they are not, more information is needed.

Response 2. Delete from page 45 and update page 46 with the following:
Goodyear Park and Ride
13183 W. Cornerstone Blvd.
Square Footage: 111,287. See revised fee schedule

Question 3. Bullard Water Campus was on the wrong group and it was going to be relocated.

Response 3. On pg. 45 (31.) Facilities Locations Bullard Water Campus 1522 S. Bullard Ave., 254,634.8 sq. ft. should be grouped with the Public Work locations on pg. 40 (30.) Public Work Locations. The fee schedule reflects this as well.

Question 4. Attachment D - areas 112, 115 & 116 are not calculated on your subtotal square footage.

Response 4. The fee schedule has been corrected to calculate this to the totals/subtotals.

Question 5. Attachment D - area 306 is not calculated on your subtotal square footage.

Response 5. The fee schedule has been corrected to calculate this to the totals/subtotals.

Question 6. Attachment G - Under tree work in Parks and Facilities (large canopy trees) is missing the QTY.

Response 6. The estimated quantity has been updated for the total in both Parks and Facilities.

Question 7. Do you need the price sheet on a disc or flash drive?

Response 7. The City has made changes to the price sheet. Please submit your offer on the REVISED FEE SCHEDULE on a hard copy and/or flash drive.

Clarifications:

8. Areas where Pre and Post-Emergent Spraying is completed without regular maintenance one summer and one winter application shall be performed. In the Public Works Locations where three applications are requested one winter and two summer applications shall be performed. All other Pre and Post-Emergent Spray application perform along with regular maintenance shall be done as needed throughout the contract and indicate the minimum number to be performed.

9. Please include labor in the unit costs for 5 Gal. Plants, 5 Gal. Specialty Plants, and 24" Box Tree with Staking on the Other Services Fee Schedule.
